(Soon to be) Acting Administrator Bob Perciasepe will participate in a Western Governors' Association (WGA) meeting/breakfast Sunday February 24. I don't have a final confirmed RSVP list yet, but here's what I know so far.

Other invited Administration participants are:

- Tom Vilsack, Secretary, U.S. Department of Agriculture
- Stephen Chu, Secretary, U.S. Department of Energy
- Nancy Sutley, Chair, Council on Environmental Quality

Governor Herbert (Utah & WGA Chair), and Governor Hickenlooper (Colorado & WGA Vice Chair) will definitely participate, as well as **most other western governors**.

The meeting will be an open discussion/forum for Governors to raise issues/questions on important western issues such as drought, water transfers, federal lands/wildlife, and renewable energy transmission.

Please send me **succinct** hot issues....**governor level only**....brief **background, status**, and any **messages** you recommend.

**Due no later than COB Wednesday February 20th**

For more information about the WGA Governors, and issues see [www.westgov.org](http://www.westgov.org)

Any questions please let me know.

Thank you very much.
